Who we are - The Practice Loan Company PLC is a credit broker and arranges finance through a panel of lenders.

Regulation - we are authorised and regulated by the Financial Conduct Authority for the provision of consumer credit activities (FRN 727115).

Please be aware that business and commercial lending falls outside regulated activity and does not provide the same level of protection.

- Practice Finance Company (PFC Finance)
- The Personal Loan Company
- Mease Valley Finance
- Cheshire Finance Solutions

We are registered at Companies House number 03767146.

We do not charge you a fee for arranging finance, but the Lender may pay The Practice Loan Company PLC introductory commission in respect of the funding that is provided to you. Different funders pay different levels of commission depending on the product and loan amount. If you wish to receive further information about any such commission (including the amount) please let us know by contacting: chris@practiceloancompany.co.uk.

Product design - We use a panel of lenders to find our customers the most suitable solution to meet their requirements. Our panel of lenders is representative of the whole market and we will only use lenders who are authorised and regulated by the Financial Conduct Authority.

Marketing and promotions - We hope that you find the information in our promotions informative and useful to you. We review our promotions in line with regulatory requirements to ensure they are clear, fair and not misleading.

Our sales process - is designed to gather information from you to help us find the best lender solution to meet your needs. We gather information to ensure the product is both affordable and suitable for you. All of our account managers are experienced and trained to provide a service in line with our objective to be 'totally customer focused' and deliver a service that you will want to come back to us in the future. Currently, between 60% and 70% of customers return to us.

Application process, fees and charges - Throughout the sales process we will endeavor to provide information on our services, the lenders products and all fees and charges. We do not charge fees for arranging your finance; we only receive remuneration from our lenders for introducing you the customer to them. We will always be on hand to provide any guidance or support you need from start to completion of your funding and after your funding has concluded.

Provision of service - The lenders offer will be sent to you with their terms and conditions, please read these documents and if we can be of any assistance in clarifying any points please let us know. Remember you can withdraw from these arrangements at any time until completion and in the case of regulated lending there is a 14 day cooling off period.

Underwriting - The information you provide us helps us to arrange the most suitable products from the lenders criteria. We do need full information because information found by the lender may lead to declines and delays in the process, meaning we need to go to other lenders who may not have such favorable terms.

Monitoring - We continually monitor our business looking at ways to improve the service. This is part of our obligations to put customers at the heart of our proposition.

Culture - We are committed to providing the best possible service to our customers and try to meet your expectations. Sometimes we may fail to achieve the outcomes that you expect, in these cases we have complaints handling procedures in place to investigate and respond in line with regulatory guidelines. Please see the separate complaints handling policy for further information.

Replacement Business - We always endeavour to find a suitable solution to meet your funding needs. In some cases you may want to cancel existing arrangements and replace them with new finance. Please be aware that this may not always be best practice because over the longer term you may pay more interest. In these cases we will bring this to your attention by writing to you and keeping you fully informed.
