Percy The Practice Loan Lion Bank

Instructions for financing your next tax bill:

1. Print this sheet out onto card (check your printer instructions first as to what type of card your printer can take). Or you could print out onto plain paper and glue it down onto heavy card for strength.
2. Carefully cut out the head and the body.
3. Assemble the body, not forgetting to cut out the coin slot. The folds can be made easier by 'scoring' them first using the blunt side of a pair of scissors or an empty ball point pen.
4. Now glue Percy's head onto his body and you're ready to start saving.

Simpler Instructions:

1. Call The Practice Loan Company on 0800 328 0161 (or visit www.practiceloancompany.co.uk) and let one of our experienced managers advise the correct solution for you.
